1. Discussion and Possible Vote to Revise SpEd Reserve Fund Article

Jeanne explained the purpose of the meeting noting what had occurred at the town's Finance Committee meeting a few nights earlier. The Finance Committee voted to fund the Special Education (SpEd) Reserve Fund with \$150,000 pending School Committee approval. Jeanne explained that the Finance Committee's vote to reduce the school budget by \$600,000 still stood and this funding of the reserve fund was largely in response to the School Committee's request to reduce the budget reduction to \$450,000. Jeanne noted that establishing and funding of the SpEd Reserve Fund is subject to town meeting approval.

Upon a motion made by Erin and seconded by Jess, the Committee voted unanimously (3-0) to amend the SpEd Reserve Fund article as presented, increasing the dollar amount to \$150,000 and fixing a typo in the article wording. A roll call vote was taken:
