

## Room 5 Newsletter

### This Week's Learning

Last week, we opened a farmer's market in dramatic play. Children made signs and shopping lists and took turns being shoppers and cashiers. This week, we will continue to talk about the fresh foods we get from a farm and begin to talk about the animals we see on a farm. We will make a list of animals we know that live on the farm, color with animal stencils, sort foods grown on the farm and not grown on the farm and do some vegetable printing. We will act out the story The Three Little Pigs with props and our bodies. Now that we have a cash register, we will talk about money while we wash and sort coins. We will introduce letters C & D and do some comb painting and open dot sticker art.

Books: The Three Little Pigs, The Little Red Hen

## Week of October 9th

Important Dates

NO SCHOOL Monday- Indigenous People's Day
