Dear Friend and Neighbor,

Thank you very much for your ongoing support of the Wayland High School Scholarship Program. Due to the generous contributions from individuals and businesses in our community, the Wayland High School Scholarship Committee was able to distribute \$92,000 to 21 deserving graduates in 2023.

The mission of our community's scholarship program is to provide one-time awards to Wayland High School seniors who have a demonstrated financial need and show academic promise. Your support is essential to helping us meet this goal.

During these uncertain economic times, it's even more important for us to come together as a community and support our students. We would gratefully appreciate your generous, tax-deductible contribution again this year to one of the following awards, or to a named award as listed on the back of this letter or on our website.
